

**Beaver Creek Property Owners Association (www.bcpoa.com)**

Dear Beaver Creek Property Owner,

Beaver Creek is a special place. We are fortunate to have discovered it as a place to live. Our mountains, streams, valleys and the quality and variety of our outdoor recreational activities make Beaver Creek one of the premier mountain communities in the world. The “Vilar Center for the Arts” is a cultural asset which no other mountain community can match.

Beaver Creek is more than just a family-oriented living community. It is also a major ski resort, and one of the best. When changes come about or decisions have to be made there are many constituencies that are represented. Among those are The Beaver Creek Resort Company, the Beaver Creek Metropolitan District, Vail Resorts, and Eagle County.

Your representative is the **Beaver Creek Homeowners Association**. The BCPOA was founded in July, 1990 to represent the interests of Beaver Creek property owners. We are managed by volunteers serving on the BCPOA Board of Directors. The BCPOA is focused on issues which enhance our property values and foster a vibrant, responsive and caring community.

The BCPOA has taken the lead in projects such as: community fire safety and emergency evacuation programs; better community transportation services and improved traffic patterns; upgraded skier access and lift improvements; strengthened programming at the Vilar Center; and various land use issues which enhance our community and place proper limits on commercial development. The BCPOA is also active in community beautification and recreation projects and social events.

Please join with us to work for the betterment of the Beaver Creek community. We welcome the involvement of our individual members. Our annual membership dues are only \$300.00 and you will be making a sound investment in the future of Beaver Creek.

**Please complete the following Member Information and return this letter with your check to: BCPOA, P.O. Box 123, Avon, CO 81620-0123.**
